

## Indiana's Smoke Free Air Ordinances

To date, 38 municipalities in the State of Indiana have passed some local smoke free air law. Eleven communities have implemented 100% comprehensive smoke free workplace laws that cover all workers in the community (highlighted in pink). An additional eighteen laws are effective public health policy and follow the guidelines outlined by the U.S. Surgeon General for eliminating exposure to secondhand smoke from the indoor places that the respective ordinances cover, however these ordinances do not cover all types of workplaces (highlighted in green). Nine Indiana communities have passed policies that do not follow the recommended guidelines outlined by the Surgeon General for protecting citizens from exposure to secondhand smoke (not highlighted).

Indiana Counties											
Meets SGR guidelines	Municipality	Population / % of IN Total Population (2000 U.S. Census)	Effective Date	Public Places	workplaces	restaurants	bars	Outdoor Seating	membership clubs	NOTES	Enforcement Contact
YES	Allen County	331,849 / 5.5%	08/01/07	X	X	X				Does not cover bowling alleys at certain times of the day	Health Department (260) 449-7561

YES	Seymour	18,101 / 0.29%	07/21/06	X	X	X					Code Enforcement Officer (812) 522-4746
NO	Shelbyville*		09/01/06	X	X	Allows separate smoking rooms					City Attorney - Mayor's Office
YES	Speedway	12,881 / 0.21%	09/01/06	X	X	X					Town of Speedway (317) 241-2566
NO	Valparaiso*		04/01/07	X	X	X				Does not adequately cover restaurants: restaurants that have bars may apply for exemption	City Hall (219) 462-1161
YES	West Lafayette	28,778 / 0.47%	07/01/07	X	X	X	X				West Lafayette Police Department (765) 775-5200
YES	Westfield	9,293 / 0.15%	10/14/09	X	X	X				places where 21 and over only are admitted are exempt	Westfield Community Development Department (317) 804-3170
YES	Whitestown	471 / 0.01%	10/01/06	X	X	X					Police Department (317) 769-6557
YES	Zionsville	8,775 / .14%	08/10/06	X	X	X	X		X		Town Manager (317) 873-8245

<b>TOTAL IN residents covered by a COMPREHENSIVE smoke free law</b>	<b>518,851 / 6,080,485 = 8.5%</b>	These ordinances cover ALL workplaces, including bars, and ensure that all workers and patrons are protected from the harmful health effects of secondhand smoke exposure.
<b>TOTAL IN residents covered by a smoke free law</b>	<b>1,859,425 / 6,080,485 = 30.6%</b>	These ordinances meet SGR guidelines and eliminate smoking in MOST workplaces. However, employees in bars and casinos are not protected from the harmful health effects of secondhand smoke exposure.
<b>TOTAL US population covered by comprehensive smoke free laws</b>	<b>197,839,600 / 281,421,906 = 70.3%</b>	When compared to the rest of the United States, Indiana is NOT up to speed. The majority of Hoosiers are not adequately protected from exposure secondhand smoke, one of the leading causes of preventable death.

\*Does not meet the conclusion from the The Health Consequences of Involuntary Exposure to Tobacco Smoke: A Surgeon General's Report, 2006, that states, "eliminating smoking in indoor spaces fully protects nonsmokers from exposure to secondhand smoke. Separating smokers from nonsmokers, cleaning the air, and ventilating buildings cannot eliminate exposures of nonsmokers to secondhand smoke." These communities were not included in the population estimate -- % of IN residents protected by a smoke free law.

\*\*The Monroe County ordinance was amended in March 2009 to prohibit smoking in vehicles with children (13 yrs of age or younger) present.
